I am truly grateful to everyone who supported our campaign to bring 21st century policy to Henrico County. I am so proud of the substantive platform we built through genuine interactions within our diverse community; the friends and neighbors who enthusiastically embraced my candidacy; the volunteers and donors who shared their precious time and resources for something they believed in; the endorsements received from respected county leaders; and the community we formed around seeking solutions to issues of concern. It was an energizing and inspiring experience and an honor to follow in my father's footsteps in seeking this office.

I particularly appreciate the examples of Three Chopt candidates Noah Page and Misty Whitehead, who brought strength, compassion, and unwavering commitment to Democratic values into the Board of Supervisors race.

Congratulations to Jody Rogish in Tuckahoe and Misty Whitehead in Three Chopt who now move on to November's general election. I look forward to the opportunity to support meaningful, inclusive campaigns and to continue to drive impactful policy.

With sincere gratitude,

Anne-Marie
